Please note - the dates for instalment payments for existing teams have been brought forward, as follows:

- **First instalment of \$520 is due by 31 July 2018**
- **Second instalment of \$900 is due by 30 September 2018**
- **Final instalment of \$500 is no by 30 November 2018**

The first instalment is due next month so it is extremely important that all teams make their payments by the due dates.

Please note - teams who do not adhere to the Registration Fee instalment dates could miss out!

Player Registration

It is now NRL Policy that player registration for all events must be done on-line. This includes the Runaway Bay Carnival and all mini-carnivals and Gala Days.

When event organizers send in their Application Forms, it will be passed to the NRL LeagueNet team and a LeagueNet Coordinator will be in contact regarding the procedures.

This will ensure that every Masters player is correctly registered with all of their required details captured in the correct format. This is effective immediately.
